

THE SUPERIOR CHOICE FEATURES & BENEFITS

MIRACLE MEMBRANE®

Waterproof and Absorbent – our various surface options with Miracle Membrane® provide superior protection against bed wetting, incontinence and accidental spills. Cool and Comfortable – Trademarked Miracle Membrane® provides a quiet undetectable lining that is cool to sleep on unlike old fashioned plastic coverings.

ALLERGY PROTECTION

Provides sleeper with superior protection against allergens such as dust mites and pet dander. Protect-A-Bed® encasements have an allergy flap, behind the zipper, which provides extra insurance against dust mites and moisture penetration.

BUGLOCK® WITH SECURE SEAL®

The BugLock® is a patented sealed safety trench at the zipper end that prevents the passage of bed bugs through a typically vulnerable spot. The SecureSeal® keeps the zipper from pulling away from the end and exposing the mattress.

BED BUG PROOF

Protect-A-Bed® encasements have been independently tested by entomology laboratories to be bed bug entry, escape and bite proof. All Protect-A-Bed® products are 100% pesticide free.
